

**field & flower**  
FOR SCHOOLS

We are delighted to be partnering with La Fontaine Academy to help you raise money while bringing great quality, ethically reared meat straight to your doorsteps. We work with a small network of free range, low-input farmers (including our own James Flower on Home Farm, Somerset) who are as passionate about food and farming as we are. We pay them a fair price, prepare every order by hand and deliver fresh to your home or office.

**HOW IT WORKS**

**1** Join your school's flock now

**CLICK HERE**

**2** We'll send you a weekly email with offers, recipes and news from the farm

**3** Any and all of your orders will add 10% of their value to your school's fundraising pot

Enter your school code **LAFONTAINE** in the 'promo code' box when placing your first order. This will tag your account so we can allocate your fundraising money to your school's pot.

**THE SUNDAY TIMES**

**A FEW FACTS ABOUT US**

We started out on our own beef farm in 2010, where James Flower's family have been farming for 5 generations.

We now work with other small likeminded farmers who meet our own high standards of practice and welfare.

We sell free range beef, lamb, pork and chicken as well as seasonal wild game.

We also recently introduced fresh line caught fish landed on the South West coast, as well as a hand picked Somerset cheese range.

We deliver fresh to your door in ice-chilled boxes with a traceability card detailing the farm and farmer of everything in your box.

**ANY QUESTIONS?**

Get in touch with your scheme organiser or contact Charlotte on [schools@fieldandflower.co.uk](mailto:schools@fieldandflower.co.uk) / call **0203 735 8008**.

## HOW FIELD & FLOWER FOR SCHOOLS WORKS

### Is ordering easy?

Ordering is hassle free, you can order on our website just like any other field&flower member, buying a regular box or one-offs boxes when you need them. All you need to do is use your special school promotion code on your first order so we know to allocate this and any future purchases you make to your school's fundraising pot. The minimum order value is £20.

### Do I have to have a subscription to raise money for my school?

No, any orders will add to the fundraising pot.

### I already have a field&flower account, can I still earn money for my school?

Definitely! Just send an email to Charlotte (our school scheme coordinator) [schools@fieldandflower.co.uk](mailto:schools@fieldandflower.co.uk) or give her a ring on 0203 735 8008 and she will add your school's code to your account. All future orders you place will count towards the scheme.

### Do I collect my box from school or are they delivered to my home?

All boxes can be delivered to your home, your work or anywhere else you'd like them sent. This can be changed from order to order to suit you. Just don't forget to confirm where you want the box to be delivered!

### Which size subscription box would suit my family?

We have a range of boxes designed for different sized families and households. As a guide our boxes are based on a family eating 3-4 meat based meals a week.

Weekly Box: 4 people weekly, or 2 fortnightly.  
Small Box: 1-3 people  
Medium Box: 2-4 people  
Large Box: 4-6 people

### I'm not sure what to make with the items I've ordered.

We have lots of lovely recipes on our website and Alice our in-house chef is always on hand with advice and recipe ideas. Just use our 'Ask Alice' feature for advice.

### What happens if I'm going on holiday?

Lucky you! You can delay or change your deliveries for your regular subscription through your online account or by contacting our customer membership team on 0203 735 8005 / [hello@fieldandflower.co.uk](mailto:hello@fieldandflower.co.uk)

### My freezer is full of meat, can I delay my next regular delivery until I'm ready to re-order?

You can delay or change your deliveries through your online account or by contacting our Customer Membership team on 0203 735 8005 or [hello@fieldandflower.co.uk](mailto:hello@fieldandflower.co.uk)

### Do I have to have the same thing every time?

With our regular subscription boxes you can change the contents of each box you receive. We have over 150 products available to choose from and we encourage you to try new cuts in each box. We also have seasonal items on special offer every month. Just remember to hit the 'confirm' button on the top left so that it can be processed with your amendments.

### This is more expensive than my normal meat shop, why should I buy it?

It is true that unfortunately there are some supermarket prices we cannot match without cutting corners. Our meat is all free range, grass fed, dry aged and our farmers are paid a fair price. We believe that buying grass fed is a worthwhile investment, please click here for some more information about the nutritional, environmental and welfare benefits. Whilst maintaining these principles we still do well when compared with some supermarket ranges, click [here](#).

### What time will my box be delivered?

Unfortunately, at the moment we aren't able to specify an exact time window until the day of your delivery. DPD will send you a text or email on the morning of delivery to let you know a 1-hour time slot for delivery. Delivery is guaranteed to arrive by 7pm on your chosen day.

### Can I recycle my box?

All of our boxes and ice packs are 100% recyclable so you can dispose of them with your usual recycling.
